Dear Parents & Carers

*Happiness and wonder
inspires success*

We appreciate that the end of term is in three and a half weeks' time but please can you make sure that your child is wearing the correct uniform. Trainers are not part of uniform so, if your child's school shoes are too small or worn out can you please get them a pair of black pumps instead for the remainder of term and new shoes for the new term in September.

Mrs Simm is being supported in the Nursery by staff from Reception since Mrs Jenkins left last week. We are also using this as an opportunity for the Nursery children to visit their new classrooms in readiness for September and for the staff and children to get to know one another which will hopefully lead to a smooth transition. We can do this as the Nursery and Reception children are all part of the same bubble.

Due to current restrictions we are not allowed to invite our new children who will be joining us in September to visit and familiarise themselves with their classroom and the staff who will be teaching them. However, Mrs Delves, our EYFS Leader, is preparing a short film that will be on the school website so the children can have a virtual tour of the school. The Year 1 and Year 2 teachers are also preparing a short film to introduce themselves to their new pupils in September. In addition to this we are also - at a distance - sharing information about pupils with their teacher in September so they have some idea of the likes and dislikes of the children and how they can best prepare for them in September.

The butterflies in Nursery/Daycare and Year 1 have really grown and are now at the chrysalis stage so hopefully it won't be too long before they change into butterflies. We are all trying to guess what colour and size they will be.

Year 2 have created a wonderful display

'Ten reasons to
love a Turtle'

and
'Ten reasons
to love Fish'

Attendance this week (excluding Nursery)
was 95.51%

Class	Attendance %
Nursery	73.81%
RD	95.95%
RE	94.56%
1B	99%
1R	92.67%
2B	95.71%
2W	95.17%

**Well Done to Class 1B who achieved the
highest attendance this week!**

Mr Riley, our outside learning leader has been working with Year 1 and Reception this week and they thoroughly enjoy working outside as every time they do different activities which develop their dexterity and problem-solving skills. This week Year 1 made bread from powdered milk and yoghurt, they added chocolate chips

and then kneaded it and finally fried it in a pan over the camp fire. They also made a vegan bread with sultanas in too. The children then tasted it whilst it was still warm. Reception made popcorn using the campfire.

Today we have been interviewing for a new teaching assistant to join our Early Years Team and next Monday we shall be interviewing for a Teaching assistant to join our Key Stage 1 team. When we appoint we shall make sure they are part of our transition films so you will know who they are.

Awards

Star of the Week

Nursery: - Elijah

For his fantastic models - they're amazing!

Class RD: - Julie

For always being kind, helpful and hardworking.
Well done!

Class RE: - Oriya

For making good progress in all her subjects.
