## Dear Parents & Carers

*Happiness and wonder  
inspires success*

Thank goodness the sunny warm weather has returned, and let's hope it continues! Please remember to apply sun cream to your child before school and provide them with a hat. The children can have sun cream in school but they will need to re-apply it themselves.

## After School Club

Mrs Simm, Miss Bahra and Mrs Wright had a meeting with Dainty Little Hands to finalise all the details of our new after school care starting in September. Today, we have sent the leaflet on school ping with a link for parents to register. The link is also available on our website and we have put posters up around school to ensure the details are available to all parents.

## Breakfast Club

As mentioned before, we shall be running our own Breakfast Club from September. The Breakfast Club will be open from 7:30am and the children will have a choice of breakfast cereals as well as having toast and jam and a drink. There will be activities for them to do until school starts. The cost for Breakfast Club will be £5.00 per session. To register, please come to the school office for an application form.

Day Care are opening up their baby unit again in September so if you have any unwanted baby toys or equipment they would be very grateful to have them - you can drop them off outside Day care's entrance.

From September we have two vacancies for Lunchtime Supervisors to assist the full-time Nursery children with their lunch. If you know anyone who would be interested in becoming a Lunchtime Supervisor, please spread the word and they can collect details and an application form from the office, which will be available on Monday afternoon.

Reception, Year 1 and Year 2 parents will receive letters outlining the details of our Sports' day to be held on Thursday 14<sup>th</sup> July down on the large field at the bottom of Vineyard Road. It will begin at 9:30am and parents are welcome to come and watch. The classes have all been divided into four colours which will be the team they're in. We ask that your child wears a t-shirt the colour of the team they're in. There will be a selection of races and the team with the most points will be the winning team. We now need to pray that the weather remains good for the day!

We have seen a big improvement in children walking their scooters and bikes onto the school playground and would like to thank you for your support in this matter.

## Welcome

## Day Care News

We had a visit from Sammy Skills this week!

We asked you to bring in photos and certificates of achievements from activities that the children do in their own time. We did not realise how many talented children we have! We will continue with Sammy Skills as the children are enjoying sharing their skills. Next week we will be learning some Yoga moves. For more information on the importance of physical activity in children, click on the Sammy Skills logo above!

The children have also been making cards and gifts for their Dad or someone special in their life for Father's Day.
