Dear Parents & Carers

*Happiness and wonder
inspires success*

What a difference the sunshine has made this week although it has been a little too hot at times. We have made sure that all the children are regularly drinking water to keep hydrated. When they go outside we are encouraging them to play in the shaded areas of the playground. It is forecast that there will be very high temperatures on Monday and Tuesday; please make sure your child has sun cream applied and to bring some into school to reapply when necessary. We also ask that you make sure they have a hat/cap and sunglasses if possible. If it is too hot, we shall reduce the time the children spend outside. Children can come to school on Monday and Tuesday in either school PE kit (plain navy/dark shorts and white/yellow t-shirt) or school dress.

On Wednesday we had a visit from our 'Maths - No Problem!' mentor, Kyle, and he was so impressed with our children and their mathematical ability. This is what he wrote:

"Dear all at Bellfield Infants, thank you so much for allowing me into your lessons during my visit. It was so wonderful to see such engagement and enthusiasm for maths, not only across the school but also at this point in the year - it really was delightful. As a maths practitioner, it fills me with joy to see you moulding and shaping the mathematicians of our future. Once again, thank you and I hope you have a lovely Summer break. "

If you are entitled to the Household Support Fund, we have arranged for the Northfield Community Partnership to come on Tuesday afternoon between 1:00pm and 3:00pm and they will be able to do 15 applications. If you cannot make it on Tuesday you can go the Partnership Hub and they do it there too.

We hope you have a fantastic summer break. Recharge your batteries, stay safe and for those of you who are going on holiday, we hope you have a wonderful time. We look forward to seeing you all in the Autumn term!

A big thank you to all the parents who came to support our Sports Day down on the playing field on Thursday morning, it was lovely to see so many parents cheering everyone on. Miss Evans organised the event with the help of our sports coach and all her planning paid off as the event went so smoothly. The overall winning team was Blue Team with a score of 1985!

The parents' race was very impressive and very competitive and they really wouldn't look out of place running in the Commonwealth Games this summer. The staff also had a three legged race which was won by Mrs Delves and Miss Evans, Mrs Burns and Mrs Tonks fell foul on the field and face planted the floor before they got their act together and joined in the race coming second.

Day Care News

On Wednesday Day care had their graduation and there wasn't a dry eye in the hall and that was just looking at the photos on the screen of the children who had come as babies and were leaving as little people. They sang their songs beautifully and remembered all the actions. They were each given a certificate and a graduation photo so they could remember their time with day care.

It was the last day of term in Day care today.

We would like to wish all our children that will be moving on to the next stage of their education our best wishes.

Good luck for the future and we will miss you all!

Day care re- opens on Tuesday 6th September.
